RODNEY G. MCDONALD
PRIMARY EXAMINER

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-16 are allowable over the prior art of record because the prior art of record does not teach an apparatus for manufacturing a carbon nanotube including a plurality of magnets which generates at least one of a magnetic field of multiple directions and a magnetic field having a component in parallel with the direction of a discharge current in the generation area of the discharge plasma and a magnet cooling unit which cools the magnets.

Claims 17-33 are allowable over the prior art of record because the prior art of record does not teach a method of manufacturing a carbon nanotube including using a plurality of magnets to generate at least one of a magnetic field of multiple directions and a magnetic field having a component in parallel with the direction of a discharge current in the generation area of the discharge plasma and cooling the plurality of magnets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney G. McDonald whose telephone number is 571-272-1340. The examiner can normally be reached on M- Th with Every other Friday off.
